Summary

The following list gives terms from the Integrated Public Sector Vocabulary that might be used in the A-Z page of a Local Authority Web site. This document was first issued with IPSV version 1.00. It remains valid for later versions of IPSV.

Terms in the A-Z are flagged in the IPSV XML file at <http://www.esd.org.uk/standards/ipsv/ipsv.xml> and shown in the IPSV interactive viewer at <http://www.esd.org.uk/standards/ipsv/viewer>.

A-Z term definitions come from work by the ENCORE National Project (see <http://www.encore.gov.uk/>) described at: <http://www.encore.gov.uk/en/1/doclib770.mxs>.

Please post questions and comments on the Vocabulary Merger Project forum at <http://www.esd.org.uk/forums/viewforum.php?f=39>. Your normal Local e-Government Standards Body and esd-toolkit login applies. You can register and login from <http://www.esd.org.uk/integratedforums/>. (You do not need to be a local government officer to use this forum.)

Terms which are italicised are non-preferred terms in IPSV.
